Daisy: James, what's the matter?

James: I have a headache.

Daisy: Why? Did you hurt your head?

James: No. I'm tired and I hate shopping with you two.

Daisy: Look at Violet!

James: What's she doing?

Daisy: She's trying hats on.

James: Yes, but does she need to try on four hats?

Daisy: That's Violet! She does what she wants.

Violet: What does "sale" mean?

James: It means the clothes are cheaper.

Violet: Right and are the toys cheaper too?

James: Yes. I think so.

Violet: OK. Let's go to the toy department.
